“You Learn More From Failure Than From Success. Don’t Let It Stop You. Failure Builds Character.”

Today I am sharing a success story of our placed candidate Asha Bodra. She belongs to West Singhbhum, Khuntpani block. She was come from a small village where only 40 to 50 families live. She is the first girl from her village who came out of the village to do training and Job.

This Roshni project has changed the way of life. Her father’s name is Mr. Pradhan Bodra & he is a farmer and Mother’s name Mrs. Sumitra Bodra is house wife and she also supports to his husband in farming. Her father is small farmer and her entire family member cultivates crops. She belongs to poor family and agriculture is the main source of livelihood for her family. She has 4 sisters and 2 brothers. Her family member life style is very simple and source of occupation is only farming. Her whole family members earn their livelihood by farming. She wants to do something for her family and she decided to take training in Security Guard at our centre. After completion 3 months of training she was placed in **ISS SDB Security Services Pvt. Ltd.** in Hyderabad as the position of Security guard and she got his first month salary of Rs.12000 but during the lockdown time she lost her job but she was not afraid of losing her job and she searched for herself and got a job for herself Now she is working in **Doberman security Solution Pvt. Ltd.** as a Security Guard and now she received salary of Rs.15000 every month including over time. She sends every month 7-8 thousand Rupees for her family to improving financial and economic condition. From last one year she is supporting her family economically. Now she is enjoying her life and job.
