13. Why this is a good testimonial?\*

She is working in Hyderabad since last 1 year 8 months. In the initial days of her job, few of her colleague asked her to left the job and return her village and tried to distract her. Instead of coming back with them she called her trainer and center manager and raise the concern. The PIA representatives counsel her and motivates her to continue the job and now it's more than 1 and half year she is working in same organization with a hike in salary.

14. Background of the candidate? \*

There are 7 members in her family. Her father is a Bamboo weaver. Her 2 elder sisters got married and younger brothers were studying. Due to financial condition, she was not able to continue her studies after matriculation.

15. How did s/he get the information about DDUGKY/ ROSHNI?

She came to know about DDU-GKY through one of our trainer during mobilization.

16. Programmatic intervention: Details of training undergone? \*

She enrolled in 7.5 months training of Warehouse Binner under DDU-GKY.

17. When and where did you join your first job, and at what position/ designation, first salary? \*

She joined her first job in Avenue Supermart (D-Mart), Vanasthalipuram, Hyderabad as a packer in a CTC of 11,373/-

18. Job progression, current salary and employer, contact details? \*

She is still working in Avenue Supermart (D-Mart), Vanasthalipuram, Hyderabad and promoted as Cashier with a increment and now her CTC is 14,500/-.

19. In their own words (message): \*

How DDUGKY transform your life –

I am very grateful to this program as this helped me in running livelihood of my family. I was looking for work after completing my 10<sup>th</sup> but unable to find any except daily wage labor. But through this training I got a respectful job. This program gives me the opportunity to achieve success in my life.

Message for rural youths

I want to ask all my rural friends to come up and join this program and also urge their parents to allow all the youths to pursue their successful future and fulfill their dreams.

20. Future plans?

Professionally I want to continue my job and work as a Cashier head within next 1 year. In my personal plan I want to support my family financially and help my brothers in continuing their higher education.
